2.6 Resubmission of claims

- Claims may be resubmitted via the online claims portal and marked as a resubmission. All previously entered details will remain on the case and the relevant documentation may be uploaded and added to the case.
- Resubmission of claims must be submitted within sixty (60) days after the claim has been returned for correction notification, otherwise the claim will be deemed as stale.
- Resubmission of claims via emails must be submitted to emsclaims@gems.gov.za with the requested documentation as motivation. The resubmission must be detailed and address the reason for prior GEMS rejection. All communication submitted as motivation for consideration must be documented on the company letterhead. The motivation must provide factual reasons to enable the claim to be considered for re-adjudication and re-processing for payment within sixty (60) days after being returned for correction notification.
